

Guilford County Schools  501 West Washington St.  Greensboro, NC 27401	<b>ADDENDUM # 1</b>
	<b>BID NO. 189-6033</b>
	Commodity: Boundary optimization
	Using Agency Name: Transportation Department, Guilford County Schools
	Date: May 21, 2018

**Item # 1**

The section which needed correction in the bid 6033 is as follows:

**TIRE INSPECTION:**

The contractor shall inspect the casing at his plant at time of receipt, then again during the retreading process, and finally after completion of the process. Recapping facilities will have and use the MRT Electronic Liner Inspection and the MRT Casing Integrity Analyzer to inspect and repair casings prior to recapping.

If a casing or in-production retread is rejected by the contractor, such unsuitable casing or retread shall be returned to GCS without charge, regardless of the amount of work that may have been performed on the casing/retread, and a written report citing the specific reason(s) for the rejection shall be submitted to GCS.

If GCS determines that the contractor is rejecting casings that are indeed suitable for retreading, GCS at its sole option may cancel the contract with that contractor immediately.

**REPLACE WITH:**

**TIRE INSPECTION:**

The contractor shall inspect the casing at his plant at time of receipt, then again during the retreading process, and finally after completion of the process. Recapping facilities will have and use ***the NDI (non-destructive inspection) systems, in accordance to industry standards,*** to inspect and repair casings prior to recapping.

If a casing or in-production retread is rejected by the contractor, such unsuitable casing or retread shall be returned to GCS without charge, regardless of the amount of work that may have been performed on the casing/retread, and a written report citing the specific reason(s) for the rejection shall be submitted to GCS.

If GCS determines that the contractor is rejecting casings that are indeed suitable for retreading, GCS at its sole option may cancel the contract with that contractor immediately.
