**NOTICE TO BIDDERS**

Please be advised that this document serves as Addendum #1 to the IFB 6618 – Security Glazing Film Installation for the 2022 Bond. The following are questions asked by vendors. The answers were provided by GCS, please see below.

Questions

- Q1. Can we provide alternate manufacturers like 3M?
- A1. The alternate must meet the specifications.**
- Q2. What is the estimated budget for this project?
- A2. There is no budget at this time.**
- Q3. Do you have an estimated total SQFT's?
- A3. The total square footage has not been determined.**
- Q4. Please advise if the Certificate of insurance is required with bid or after award? So does the bid bond performance or payment bonds if needed.
- A4. It is required after the award.**
- Q5. Do we need any particular license or permit for the execution of work?
- A5. There are no special licenses required.**
- Q6. What is the turnaround time for the project?
- A6. We hope to have this completed by the end of June 2024.**
- Q7. Do you happen to have the window dimensions these will be put on? And or the schools that these will be used at?
- A7. At this point we are just looking for a square foot cost.**

Q8. IFB Section 5.0 Page number 5 - The scope of work only states Security Glazing Film but no description of how many buildings/windows/doors/square footages etc. Would you have this information? Also is this bid requesting we only submit what the cost will be per square foot or the contract as a whole? Would it be possible to schedule an on-site visit to view the areas needing film?

**A8. See A7.**
