

IFB# 6216
Movable Partitions
4ft wide by 6ft high swivel feet

Addendum 1.

Questions & Answers

1. Did you want these as finished pieces or would you like us to quote the material sheets and you will fabricate in house? Answer: **Finished product, with little to no assembly required**

If you would like a quote on a finished piece, can you provide a drawing and let us know how

many you would require.

2. What type of material are you looking for- clear partitions or fabric covered? Is there a spec sheet or model # of an item of interest? **Fabric material not clear**
3. What is the time frame for receipt of these items? **Before the start of school, 1st week of September 2020 would be preferred**
4. Additionally, The quantities noted are too wide of a range to provide an accurate shipping cost. Are you aware of the actual qty that might be needed? **Cannot give exact numbers could be 100 or a 1000**
6. Do the partitions need to be a certain color? **Grey or charcoal**
7. Can they be foldable? **No folding– solid panels with feet**
8. How thick do the partitions need to be? **2 inches minimum**

9. Will the shipment take place at one time or will there be multiple orders throughout the year?
Order as needed
10. Also...please advise on the material needed for the partitions: solid, transparent, half and half.
Want all the same color if possible – Grey or charcoal full cloth panel
11. Do you we have to register with Guilford County Schools to participate in the above bid. If so, please direct us how we should proceed. Fill out a new vendor application – <https://www.gcsnc.com/Page/17444>
12. Do you have any drawings for the Movable Partitions – **No we do not**
13. The bid documents stated that Guilford County Schools is NOT tax-exempt. Does this apply only the sales tax as stated on page 4, is there any other taxes and percentage.
6.75% sales tax
14. On page 1 of the bid stated.. "Offer valid for 60 days from date of bid opening " while on page 3, 120 days is mentioned. Please clarify.
15. Is Installation required. If so what is the allocations for the quantity purchased. Is it one school or various schools with various departments or class rooms. **No installation required**
16. If no installation is required, please describe your loading dock for the receipt of shipment. **We have a loading dock that any size truck can back up to and we have a forklift**
17. The quantity state on the bid has a range, could you be more specific so we can offer discounts based on the quantity. **We will purchase as needed, possibly 500 – 1000 at a time.**
18. My company is bidding on the IFB# 6216, and we had a question about page 4 "total price". Since the quantity is a range (100-500 and 500 to 1000) are we putting the total price for 500 and 1000?
Please quote total price for 500 and total price for 1000
19. Additionally, I did not see a spot on the form or any information on the expected delivery date/lead time for production. **Before the start of school, 1st week of September 2020 would be preferred**
20. Specifications indicate that the partitions be 4ft wide by 6ft high, however, our standard size is 60 inches wide by 80 inches tall. While the height of our partitions can be customized to 6ft high, the width cannot and will be 5ft wide as opposed to the requested 4ft. Is this width an acceptable deviation? **Yes that would be acceptable**
21. Specifications indicate that the partitions have swivel feet. Are swivel casters acceptable? And do you prefer a brake or no brake? Please clarify. **Swivel is preferred, but non locking casters would be acceptable**
