QUESTIONS & RESPONSES

Q1. Is there a timeline and budget for the video recording tool?

A1. We would like to order as soon as the bid closes. We would like to order 2,000 devices.

Q2. Are there specific products that should be itemized and priced to accompany this bid, i.e., should we provide a quote?

A2. We do have a specific product in mind, we are asking for your best suggested product and it can be itemized the best way it can to reflect a price that is understood by the district.

Q3. Is there a specific quantity of items related to this proposal? If so, will all products be ordered at once or over a period of time? If over time, what time frame?

A3. We would like to order 2,000 devices possibly.

Q4. Is this referencing an order(s) at the district level or also related to individual purchases made by schools?

A4. This would be one purchase at the district level.

Q5. Is the base bid document referred to in this section the chart at the top of page2?

A5. There is no base bid form attached to this document. The chart on page 2 is a part of the basic bid submittal as it provides basic company information.

Q6. Is there any additional information needed other than completing the chart on page two? What other documents/information would be helpful?

A6. There are no additional forms or information to be completed.

Q7. Should bidders proactively include a list of references with the bid proposal or will Guilford County request the list, if needed, after the award date?

A7. Bidders may include references with the bid proposal.
