**NOTICE TO BIDDERS**

Please be advised that this document serves as Addendum 1 to the RFP 6576 Grant Development & Evaluation Consultants. The following update by Guilford County Schools (GCS), please see below.

1. What is the size of your current grant portfolio? Are you looking to expand your grant portfolio? Does this RFP have a question-and-answer session?
  - a. The district does not have a comprehensive grant tracking software at this time. The estimated current portfolio of district-level grants is two dozen, with many more school-level grants.
2. Are you looking to expand your grant portfolio?
  - a. Superintendent Whitney Oakley launched the district’s Better Together Strategic Direction in May 2023. The district does seek to expand fund development, including grants acquisition, to support strategic focus area initiatives. Please see the [Strategic Direction](#) section of the GCS website for further information on the Better Together Strategic Direction.
3. Does this RFP have a question-and-answer session?
  - a. Interested vendors are welcome to submit questions to add to the Addendum.
