Rossj3@gcsnc.com	Commodity: GPS Devices & Web Based Monitoring for GCS Buses

NOTICE TO BIDDERS

This document serves as **Addendum 3** for RFP 6584 - GPS Devices & Web Based Monitoring for GCS Buses. Please be advised that **all bids** should be mailed to the Guilford County Purchasing Department. **Bid submissions should NOT be emailed.**

Q 1) Is GCS able to provide a vehicle list?

A 1) Yes, we will provide vehicle list

Q 2) How many bus depots does GCS have and what is the number of assets per depot?

A 2) We have 16 parking locations; Numbers vary per lot (15 – 50) bus per location with the school bus garage being the lot with the most buses.

Q 3) We are currently the routing software provider for Guilford County Schools. If BusPlanner would like to submit pricing for just our parent app in this RFP is that permissible?

A 3) We will take a look at Bus Planners parent app after we finalize RFP 6584 – Devices and Web Based Monitoring.
