STANDARD TERMS AND CONDITIONS

A. Scope and Purpose

It is the intent of the SFA to contract with an interested party or parties for the purchase of food, equipment and supplies for the students of Guilford County Public Schools that fall within Federal regulations and State statutes that will be provided at an economical price for the SFA.

The section titles contained in this General Terms and Conditions document are for convenience and reference only, and in no way define, describe, extend, or limit the scope or intent of the provisions of any section of this document.

Unless otherwise stated, any listing of factors or criteria in this document does not constitute an order of preference or importance.

The term "Contract," as used in this document, means the comprehensive collection of:

- (1) this General Terms and Conditions document, including any attachments and or amendments thereto,
- (2) the Item Specifications included in the RFQ and any subsequent addenda thereto, the offeror's signed Bid Certification, which must be completed, signed by an authorized representative of the offering entity, and returned with the offeror's response, along with this ENTIRE Terms and Conditions document and all other forms and information collection pages included with this RFQ,
- (3) the offeror's response to the RFQ,
- (4) the offeror's Notice of Award document, and
- (5) any additional terms, conditions, or instructions issued by the SFA.

Collectively, these documents represent the entire agreement between the parties.

B. Contract Time Period

The time period for purchases covered by a Contract resulting from an award under this RFQ is stated in the Bid Certification. The SFA reserves the right to award the Contract to a vendor for a longer initial term period than the time period stated in the Bid Certification if it is determined to be in the best interest of the SFA. Unless otherwise indicated in these General Terms and Conditions, all pricing will be firm throughout the entire contract period.

Upon mutual written agreement of both parties, this Contract may be extended beyond the expiration of the contract time period in accordance with the General terms and Conditions document entitled "Extension Clause."

The transfer, assignment, or subcontracting of contracts is prohibited, and the offeror agrees not to sell, assign, transfer, convey, or subcontract any portion of this contract resulting from this RFQ without the prior written consent of the SFA.

C. Addendum

In the event any changes to this RFQ occur subsequent to the mailing or other delivery of the original RFQ, the changes or corrections to this Bid request will be made by addendum, and any updated information contained in any addendum will prevail over the information contained in the original RFQ or any previous addendum. Each addendum will be mailed to all entities that are known to have received a copy of this RFQ. The SFA is the sole authority for the issuance of any addendum related to this RFQ. Any communications from any person or entity other than the SFA regarding any matters related to this bid are invalid and will have no influence on this RFQ.

Each addendum must be acknowledged on the acknowledgement form provided with the addendum. Any required acknowledgement form must be submitted along with the submission of any bid response.

D. Specifications

Catalog numbers, brand names, or manufacturer's product or reference numbers used in the item specifications are intended to be descriptive, not restrictive. These references, as well as "approved brands" listed, are intended to identify and indicate the type of product being sought and establish the level of quality desired. If any conflict exists in the item specifications between the product descriptions and any brand names or model or reference numbers used, the product descriptions will override the brand names or product number references.

In most cases, bids on brands of equivalent nature and quality will be considered, provided they are regularly produced products from a reputable manufacturer. However, in some cases, the SFA may find it advantageous to standardize equipment and/or supplies by manufacturer in order to achieve efficiencies in procurement, repair, and operation, to match existing stock, or to satisfy other requirements. In these cases, preferences will be given to the specific products identified as "approved brands" especially if all other evaluation factors are deemed to be equal. For this reason, where specific brands or products are identified, it is preferable for the offeror to propose the exact item specified, in addition to an alternate brand or model where desired.

All bids must identify the manufacturer, brand, portion size, etc. of the product being offered. "Pre-Approved Equal" Brands may be allowed where indicated. To offer "Pre-Approved Equal" items rather than any "approved brand" specified, the offeror must supply a complete description and sufficient data for the SFA to properly analyze the product being compared. Samples may be requested for items other than "approved brands". These "Pre-Approved Equal" brands must be approved by the SFA before the bid opening. The SFA reserves the right to reject any brand submitted if the SFA does not have sufficient information or time to conduct taste-testing in order to deem the product as a "Pre-approved Equal".

If the offeror fails to identify the manufacturer, brand, portion size, etc. for any item included in the bid, the SFA will assume the offeror is proposing the exact brand/product and portion size identified in the specification, and if awarded, the offeror will be required to

furnish the exact brand names, portion sizes, etc. as specified. Substitutions will not be allowed.

The apparent silence of the specifications as to any detail or the apparent omission from any specification of a detailed description concerning any point shall be regarded as meaning that only the best communication practices shall prevail. All interpretations of the specifications shall be made on the basis of this statement.

*If you discover or suspect error in the item specifications in this RFQ, please note it as part of your bid response.

General Specification Provisions:

1. Quantities

Quantities reflected in this RFQ are estimates based on the combined projected needs for the SFA during the contract period. Quantities are the best estimate of anticipated needs available at the time of publication of this RFQ, but the accuracy of this estimate of these quantities may be affected by numerous factors including but not limited to, budgetary adjustments, availability of Federal funds or other subsidies, changing market forces, or unintentional errors or omissions. Actual needs may be greater or less than the estimated quantities provided.

2. Packaging

Unless otherwise provided for in this RFQ, all products supplied under any Contract resulting from this RFQ must be packaged in containers that are new, appropriately designed for the products involved, and sturdy enough to protect the products involved in loading, transit, unloading, and storage. Any products supplied under Contract resulting from this RFQ for which palletizing is appropriate must be delivered on standard 48" 4-way pallets in good, serviceable condition.

3. Pricing

All "Line Item" bids must be for a specific price for the unit of measure specified for that item. The offeror is responsible for clearly noting any differences in proposed packaging and/or units of measure in the bid response, and the offeror shall understand that if the item in question is awarded to the offeror, the quantity specified for that item will be adjusted to achieve an approximately equivalent amount of the product.

In cases where another price is requested for comparison purposes (e.g., "portion price" or "price per ounce"), such price is for comparison purposes only. Purchases will be made in the increments of the unit of measure specified. In the case of any discrepancy or error in comparison price calculations, the price for the unit of measure specified will prevail. Excessive errors in comparison price calculations will be sufficient grounds for rejection of the entire bid.

“Discount from Catalog” RFQs requires a single discount percentage to be applied to all items in the offeror’s published catalog, which must be supplied with the bid response.

Allowable costs will be paid from the nonprofit school food service account to the offeror/contractor net of all discounts, rebates and other applicable credits accruing to or received by the contractor or any assignee under the contract, to the extent those credits are allocable to the allowable portion of the costs billed to the SFA. The offeror/contractor agrees to fully disclose all discounts, rebates, allowances, and incentives received by the Company from its suppliers. If the offeror/contractor receives a discount, rebate, allowance, or incentive from any supplier, the offeror/contractor must disclose and return to the School District the full amount of the discount, rebate, or applicable credit that is received based on the purchases made on behalf of the Guilford County School District. All discounts, rebates, allowances, and incentives must be returned to the Guilford County School District during a mutually agreed upon timeframe that is beneficial to the School District.

“Cost Plus” bids will not be accepted unless otherwise requested in this RFQ.

Proposed prices must be firm for acceptance for at least 90 days from the bid opening date, unless otherwise specified in this RFQ or in the offeror’s response.

If during the term of the Contract, a successful offeror’s net prices to any or all of its other customers in similar market circumstances for any of the same items awarded under this RFQ are reduced below the contracted price, it is understood and agreed that the benefits of such price reduction shall be extended to the SFA.

4. Delivery and Transportation

Unless otherwise noted in these General Terms and Conditions or the Purchase Order, or unless prior approval has been obtained from the SFA, all deliveries shall be made between the hours of 7:30 A.M. and 2 P.M. Monday through Friday, except holidays.

Unless otherwise noted in this RFQ or in the Purchase Order, the offeror must deliver products awarded under this RFQ within ten (10) working days after receipt of a Purchase Order. The vendor must immediately notify the SFA, by telephone and/or fax, if any delays occur. The SFA will have the option to cancel the order if unable to accept the delay. At the discretion of the SFA, items received after the due date, for which the SFA has not been notified regarding the delay, may be returned at the vendor’s expense with no penalty to the SFA.

Repeated failure to meet delivery dates will constitute a breach of Contract by the vendor, and may result in the initiation of actions covered in this General Terms and Conditions document entitled “Remedies for Non-Performance of Contract”, and “Contract Termination” and the associated financial impacts attached thereto, as well as jeopardize any future business from the SFA.

All freight, delivery, and handling charges are the responsibility of the offeror, and all bid prices must be quoted freight prepaid, F.O.B. destination, and shall include all freight, delivery, and handling charges, including unloading and inside deliveries where required.

Cartons must be marked with appropriate product identifying information as indicated on the Purchase Order. Each shipment must include a packing list and waybill or delivery ticket.

If the vendor is delivering products out of more than one warehouse or distribution center, all warehouses or distribution centers involved in the distribution plan MUST carry or have timely access to all awarded items and MUST be able to respond to orders in a timely manner. Unless otherwise specified in this RFQ, product substitutions are not allowed, and the involvement of multiple distribution centers will not be construed as to alter the restrictions against product substitutions. In the event the vendor uses multiple distribution centers, the SFA will have ONE CONTACT PERSON for overall Contract management relative to any Contract resulting from any award under this RFQ, and the SFA WILL NOT be required to deal with multiple Contacts for overall contract management.

When the needs of the SFA require immediate response, the right to pick up products awarded under this RFQ on an "over the counter" basis must be available for the majority of the items awarded to a vendor. Under such circumstances, the SFA's personnel may pick up products at the vendor's warehouse location at the agreed-upon price with no minimum purchase required.

Except for items that have hidden defects or that do not meet specification, title to all products shall pass to the SFA upon receipt and acceptance at the time of delivery.

5. Quality

Unless otherwise indicated in the RFQ, all items proposed must be new and in highest quality condition and must conform to the highest standards of manufacturing practice, including containers suitable for shipment and storage. Unless otherwise requested, the SFA will not accept "factory seconds" or otherwise inferior goods and reserves the right to return any such item(s) within (30) days of receipt at vendor's expense.

All electrical items must meet all applicable OSHA standards and regulations, and must bear the appropriate listing from US, FMRC, NEMA, or U L Laboratories.

Material Safety Data Sheets (MSDS) on chemicals or any other products customarily requiring MSDS must be provided to the SFA with the first shipment to the SFA at the beginning of the contract period. Promptly and at no additional costs, the offeror will provide additional Materials Safety Data Sheets to the SFA upon request. Providing a web site access location to MSDS information is an acceptable alternative.

6. Product Inspection, Testing, and Defective Items

All products supplied under this contract should arrive in the best possible condition and will be subject to inspection, testing, and approval by the SFA. Tests may be performed on any samples submitted as part of the bid or evaluation process, or on samples taken from any regular shipment. In the event any product tested fails to meet or exceed all requirements of the bid item specifications or the General Terms and Conditions of the RFQ, the cost of the samples used and the cost of the testing shall be borne by the supplier, and upon notification to the vendor, the defective product(s) will be picked up and replaced by the vendor. Repeated incidents of delivery of products that fail to pass product inspection and/or testing by a vendor will warrant cancellation of the Contract in addition to the remedies outlined above. Furthermore, future business from the SFA could be jeopardized.

Products damaged in shipment will be considered as defective products and will be subject to the same remedies outlined above.

The failure of any consumable products (food items) to meet specifications or acceptable chemical or bacterial levels may result in cancellation of the contract in addition to the remedies outlined above.

Furthermore, future business from the SFA could be jeopardized. All products in the SFA's warehouse at the time of any such cancellation must be picked up and credit issued to the SFA. Latent defects discovered after delivery and acceptance of any products may result in revocation of the acceptance.

The SFA shall have access to any supplier's place of business during normal business hours for the purpose of inspecting merchandise.

7. Samples

If samples are needed for bid evaluation, they will be requested as part of the RFQ or in a separate communication. Unless otherwise indicated in the request for the samples, the samples must be received by the requestor within 72 hours from the time of the request.

Samples can be paid for by the SFA. Samples must be labeled with the SFA Bid Name, Item Number, Product Identification number(s), and the name of the offering entity. Do not include samples with the bid response unless otherwise instructed in the RFQ.

All samples will be retained by the SFA for a sufficient length of time for proper evaluation. If not destroyed or consumed during examination or testing, samples will be returned to the offeror at the offeror's expense, but only upon written request submitted with the samples at the time the samples were submitted. However, notwithstanding the above samples from the successful offeror may be retained permanently by the SFA for the purpose of determining the quality of the delivered items are comparable to the samples. The SFA shall incur no liability for any samples that are damaged, destroyed or consumed during examination or testing.

Failure by any offeror to submit samples when requested will result in the items in question not being considered for award to that offeror.

8. Warranties

By submission of a bid, the offeror warrants that he/she is an authorized dealer, distributor, or manufacturer for the product(s) being offered, that all items proposed conform to the specifications for which the items are being offered, and that all items supplied under any contract related to this RFQ will be free from all defects in material, and title.

A minimum of 90-days product guarantee or the manufacturer's standard commercial warranty, whichever is greater, shall apply to all products purchased under this RFQ. This warranty shall provide for replacement of defective merchandise from the SFA location and delivery of the replacement(s) to the same location. The warranty shall be effective from the date of acceptance of the merchandise.

9. Buy American provision

SFAs participating in the National School Lunch and School Breakfast programs in the contiguous United States are required to purchase, to the maximum extent practicable, domestic products for use in meals served under the programs. Regulations define a "domestic product" as one that is produced in the United States and is processed in the United States, substantially using agricultural commodities that are produced in the United States. "Substantially" means over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

E. Bid Evaluation and Award

All quotes received in response to this RFQ which are submitted in accordance with the instructions and restrictions contained in this General Terms and Conditions document entitled "Bid Preparation and Submission Procedures" will initially be considered for award; however, initial consideration of any bid will not constitute an assessment of its meeting the necessary qualifications, and any bid may be disqualified at any time during the process of evaluating bids for failure to meet any other terms or conditions contained anywhere else in the bid request.

The SFA reserves the right to waive any or all bid irregularities, formalities, or other technicalities, to be the sole and independent judge of quality and suitability of any products offered, and may accept or reject any bids in their entirety, or may reject any part of any bid without affecting the remainder of that bid, and may award the individual items included in the bid in any combination or any way to best serve the interests of its members as it perceives those interests to be in its sole discretion.

It is not the policy of the SFA to purchase on the basis of low bid price alone. All bid items are subject to evaluation and approval by the SFA. In evaluating the bids received and determining the best value for the SFA, the SFA may consider any combination of the following criteria: (1) the purchase price; (2) the reputation of the vendor and of the vendor's goods and/or services; (3) the extent to which the goods and/or services meet the needs of the SFA; (4) the vendor's location, service, and delivery capabilities; (5) the vendor's past performance with the SFA; (6) student preferences; (7) the warranties

offered and the vendor's warranty service history; (8) the probability of continuous availability of the goods and/or services offered; (9) the impact on the ability of the SFA to comply with any applicable laws or rules; (10) the total long-term cost to the SFA to acquire the vendor's goods and/or services; (11) packaging of the products and in some cases preference is given to a vendor who provides all the components relative to the complete package, and (12) any other relevant factor that a public or private entity could consider in selecting a vendor.

It is understood that the SFA may use all means at their collective disposal to evaluate the bids received on these criteria, and the final decision as to the best overall offer, both as to price and to suitability of the products and/of services offered to fit the needs of the SFA, will be made by the Child Nutrition Director, the SFA Purchasing Officer, the SFA Finance Officer and/or SFA designee.

Unless otherwise indicated in this RFQ, "all or nothing" bids are not acceptable and will be rejected. The offeror must be willing to accept a partial award for any combination of the items and/or services proposed and must be willing to share the business with any other successful offerors.

The successful offeror(s) will be notified by "Notice(s) of Award" issued by the SFA.

The SFA reserves the right to require a performance bond as it is deemed necessary.

F. Substitutions

The SFA will not accept any substitutes after items(s) have been awarded as specified, unless such substitutions are deemed to be in the best interest of the SFA, and unless prior agreements have been reached and reduced to writing regarding such substitutions. Substituting without the prior approval of the SFA will constitute a breach of contract by the vendor which may result in the initiation of actions covered in this General terms and Conditions document entitled "Remedies for Non-Performance of Contract, and Contract Termination" and the associated financial impacts attached thereto, and may jeopardize any future business from the SFA.

G. Deviations from Item Specification or General Terms and Conditions

Any and all limitations, expectations, qualifications, special conditions, or deviations from these General Terms and Conditions or any of the item specifications, including the offering of any alternate to the "approved brand and/or model" (where identified) must be clearly noted in detail by the offeror at the time of submission of the bid. The absence of such limitations, exceptions, qualifications, special conditions, or deviations being submitted in writing with the offeror's response will hold the offeror accountable to the SFA to perform in strict accordance with all these General Terms and Conditions and all the item specifications as written, including any such limitations, exceptions, qualifications, special conditions, or deviations with the bid response may place the offeror at a competitive disadvantage or otherwise prevent the SFA from considering the affected items(s).

Any deviation from any of the item specifications, including the delivery of any product other than the specific brand of the product awarded, will be grounds for rejection of the product(s) when delivered, and will expose the vendor to the remedies identified in this General Terms and Conditions document entitled "Remedies for Non-Performance of Contract, and Contract Termination" and may jeopardize future business from the SFA.

H. Contract and Purchase Order Requirements

A response to this RFQ is an offer to contract with the SFA based upon the Item Specifications and the General Terms and Conditions contained in the RFQ. Offers do not become Contracts unless and until they are both accepted by the SFA through an Award Notice to the offeror and put into effect by the issuance of a Purchase Order(s) signed by an authorized representative of the SFA.

This contract shall collectively include (1) the General Terms and Conditions and the Item Specifications included in the RFQ and any subsequent addenda thereto, (2) the offeror's signed Bid Certification and any subsequent addenda thereto, (3) the offeror's entire response to the RFQ, (4) the offeror's Notice of Award document, (5) and any additional terms, conditions, or instructions contained in each individual Purchase Order. All binding agreements should be submitted as part of the bid packet. The contract shall be interpreted by and governed under the laws of the State of North Carolina.

I. Invoices, Packing Lists, and Payment Conditions

Packing Lists or other suitable shipping documents must accompany each shipment and must identify (a) the name and address of the vendor, (b) the name and address or delivery location of the receiving entity, (c) the Purchase Order Number, and (d) detailed descriptive information identifying the item(s) delivered, including quantity, item number, product code, item description, number of containers, etc.

All Invoices must reflect (a) the name and address of the vendor, (b) the name and address or delivery location of the receiving entity, (c) the appropriate Purchase Order Number, and (d) detailed descriptive information identifying the item(s) delivered, including quantity, item number, product code, item description, etc., and must include a properly signed copy of the delivery receipt. Invoices must be mailed directly to the SFA.

The SFA will not be held responsible for any products delivered or invoiced without a valid current Purchase Order Number.

Notwithstanding the above, the payments stated on each individual Purchase Order will be the controlling factor in the determination of payment terms. Each Invoice should include the vendor's normal payment terms in the event that any Purchase Order fails to address the subject.

In any case, payment will be made only after satisfactory delivery and acceptance of merchandise in good order, including the necessary documentation indicated above, and

only after receipt of a correct Invoice form the vendor, including the necessary information indicated above.

At the option of the SFA, invoices with incorrect prices or other errors or inconsistencies will not be paid until corrected, whether by credit memo(s) or issuance of a corrected invoice. At the option of the SFA, invoices may be corrected upon receipt and payment may be made based upon their corrections.

J. Records Retention Requirements

By signing this bid, the offeror understands that the SFA, the U.S. Department of Agriculture, the NC Department of Public Instruction, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers, and records of the contractor which are directly pertinent to the specific contract, for the purpose of audits, examinations, excerpts, and transcriptions.

Additionally, the offeror must provide all documents as necessary for the independent auditor to conduct the SFA's single audit. The SFA will contract to have the single audit conducted as a regular, direct expense to the SFA; Child Nutrition funds may not be used for this purpose.

The offeror must retain pertinent records identified by source, type, and category of beverages for a minimum of three years after the SFA makes final payments. In the event of any unresolved audit findings, the records shall be retained beyond the three (3) year period for as long as required for resolution of the issues raised by the audit.

K. Remedies for Non-Performance of Contract, and Termination of Contract

If the vendor cannot comply with the terms and conditions in fulfilling its Contract as anticipated, the vendor must supply the same products or services contracted from other sources at the contract price. The vendor's delay in the above will constitute the vendor's material breach of contract, whereupon the SFA may terminate the vendor's contract for cause as provided by the remainder of this section.

Unless this Contract is extended by mutual agreement of the parties beyond the expiration of the contract time period as stated on the Bid Certification, this Contract shall terminate upon the expiration of the contract term as stated on the Bid Certification.

If any delay or failure of performance is caused by a Force Majeure event as described in the General Terms and Conditions document entitled "Force Majeure," the SFA may, in its sole discretion, terminate this contract in whole or part, provided such termination follows the remaining requirements of this section.

Except as otherwise provided within the General Terms and Conditions of this document, this Contract may be terminated in whole or in part by either party in the event of substantial failure by the other party to fulfill its obligations under this contract through no fault of the terminating party; provided that no such termination may be implemented

unless and until the other party is given 1) at least thirty (30) days written notice (delivered by certified mail, return receipt requested) of intent to terminate, and 2) an opportunity for consultation with the terminating party, followed by a reasonable opportunity, of not more than ten (10) working days, to rectify the defects in products or performance, prior to termination.

Valid causes for termination of this Contract will include, but are not limited to:

- (1) the vendor's failure to adhere to any of the provisions of the General Terms and Conditions of this RFQ,
- (2) the vendor delivering any product(s) that fail to meet the Item Specifications included in this RFQ relating to the awarded product(s),
- (3) the vendor delivering any substitution(s) of product(s) different than those originally proposed and awarded without the prior written approval of the SFA, the vendor's failure to meet the required delivery schedules as identified in
- (4) the contract documents, or
- (5) the vendor's violation of any other provision contained within these General Terms and Conditions or any attachment thereto which provides for contract termination as a remedy.

Notwithstanding anything contained in this section, in the event of the vendor's breach of any provision in this contract, the SFA reserves the right to enforce the performance of this contract in any manner prescribed by law or deemed to be in the best interest of its members, including, but not limited to, the purchase of other products of like type and quality from other sources in the open market. In the event the SFA elects to purchase other products from other sources, the SFA will invoice the vendor for any increased costs to the SFA, and the vendor agrees, by submission of a bid response, to promptly pay any such charges invoiced.

In the event the SFA terminates this Contract, in whole or in part, for any reason provided for within the contract, the SFA reserves the right to award the canceled Contract, or any portion thereof, to the next lowest or most responsible offeror as it deems such award to be in the best interest of the SFA.

Any Contract termination resulting from any cause other than a Force Majeure event will be deemed a valid reason for not considering any future bid from the defaulting vendor.

In the performance of this contract, time is of the essence and these General Terms and Conditions are of the essence.

L. Force Majeure Consideration

The term Force Majeure shall include, but is not limited to, governmental restraints or decrees, provided they affect all companies in the vendor's industry equally and are not actions taken solely against the vendor; acts of God (except natural phenomena, such as rain, wind or flood, which are normally expected in the locale in which performance is to take place); work stoppages due to labor disputes or strikes; fires; explosions; epidemics; riots; war; rebellion; or sabotage.

The parties to this Contract will be required to use due caution and preventative measures to protect against the effects of Force Majeure, and the burden of proving that Force Majeure has occurred shall rest on the party seeking relief under this section. The party seeking relief due to Force Majeure will be required to promptly notify the other party in writing, citing the details of the Force Majeure event, and will be required to use due diligence to overcome obstacles to performance created by the Force Majeure event, and shall resume performance immediately after the obstacles have been removed, provided the Contract has not been terminated in the interim.

Delay or failure of performance, by either party to this contract, caused solely by the Force Majeure event shall be excused for the period of delay caused solely by the Force Majeure event, provided the affected party has promptly notified the other party in writing. Neither party shall have any claim for damages against the other resulting from delays caused solely by Force Majeure.

The SFA will not be responsible for any costs incurred by the vendor because of the Force Majeure event unless the SFA has requested, in writing, that the vendor incur such costs in connection with any delay or work stoppage caused by the Force Majeure event, and the SFA has agreed in writing to incur such additional costs.

Notwithstanding any other provision of this section, in the event the vendor's performance of its obligations under this contract is delayed or stopped by a Force Majeure event, the SFA shall have the option to terminate this contract in accordance with the General Terms and Conditions document entitled "Remedies for Non-Performance of Contract, and Contract Termination." Furthermore, this section shall not be interpreted as to limit or otherwise modify any of the SFA's rights as provided elsewhere in this contract.

M. Venue

This agreement will be construed and governed according to the laws of the State of North Carolina. Both parties agree that venue for any litigation arising from this contract shall lie in Guilford County, North Carolina.

N. Waiver

No claims or rights arising out of a breach of this Contract can be discharged in whole or part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party.

O. Right to Assurance

Whenever one party to this contract in good faith has reason to question the other party's intent to perform the questioning party may demand that the other party give a written

assurance of his intent to perform. In the event that a demand is made, and no assurance is given within five (5) days, the demanding party may treat this failure as an anticipatory repudiation of the contract.

P. Extension Clause

This contract may be extended annually for up to four (4) additional years from the expiration of the Contract period, unless sooner terminated in accordance with the provisions of this Contract, if the vendor and the SFA mutually agree, and no increases in costs are incurred, and the maximum allowable escalation price is capped by the annual national Consumer Price Index, *Cost of Food Away from Home*, increase.
